COURT ORDER

Having heard **SALOMON (JAPIE) JACOBS** on behalf of the applicant, **JAMES DIEDERICKS** on behalf of the first, second and third respondents and **ELIASER NEKWAYA** on behalf of the fifth respondent on 30 September 2025, and having read the notice of motion for HC-MD-CIV-MOT-GEN-2023/00497 and other documents filed of record, and having reserved judgment, thereafter on this day:

Delivery of the judgment must be postponed.

As required by practice direction 61(2), the reason for not delivering judgment today is as follows:

Today is the thirteenth court day since I am back from leave (which was part of the court recess) and for 2026 I have, to date, delivered five judgments, two judgments are with the proofreaders and another will be submitted for proofreading today or tomorrow. Thus, for 2026, I have, to date, written eight judgments. A day has twenty four hours. I am a human. The system's expectations, which, to date, have provided no relief despite the current unreasonable workload brought about by the crises workforce shortage, is inhuman. Something must change drastically. For the time being there is no change. The result is that something has got to give. I choose it not to be me anymore at the cost of my personal health.

IT IS ORDERED THAT:

1 The case is postponed to **17 March 2026** at **10:00** for delivery of judgment.
